

## Independence Classical Academy Summer Enrichment Program Permission Form

Your student has been invited to attend the summer enrichment program at ICA.

We believe that allowing your student to participate in the summer enrichment program will benefit students who would like extra practice, need remediation, or who would like to prepare for the upcoming school year. Students will get to choose elective classes as well such as culinary, dance, drama, strategy games, and art. After registering your student, please have them attend their enrichment session(s) consistently. Due to very limited seating, it is recommended that students attend on their enrolled days, or they may lose their seat in the enrichment program. Any students picked up after 12:45pm will be charged \$1 per minute and may lose their seats in the enrichment program.

You may choose to sign your student up for 1 week, multiple weeks, or all 5 weeks. Session dates are:

Session I: June 13-17

Session II: June 20-24

Session III: June 27-July 1

Session IV: July 11-15

Session V: July 18-27

**Cost per session: \$50    Cost for all 5 sessions: \$200 (Cost includes all supplies and instruction)**

Please see the back of this sheet for registration information and the daily schedule.
